

Illawarra and Southern Practice Research Network (ISPRN) Workshop:

“Showcase of ISPRN research projects”

Date: Saturday 18th November 2017

When: 9:00am- 1:30pm

Where: Mercure Gerringong Resort, 1 Fern Street, Gerringong

Please note that any practice staff are welcome to attend.

The first half of this event will showcase current research projects that researchers have been undertaking. You will also have the opportunity to hear the outcomes from some of our latest projects!

The second half of the day will provide you with an opportunity to hear about practice innovations and improvements. If you have implemented some sort of quality improvement change to your practice we would love for you to give a five minute presentation on the changes you've made at your practice. We think this forum is an excellent opportunity to be able to share ideas about how we can all improve our efficiency and improve patient outcomes!

Travel Subsidy: 3 x *up to* \$500 travel subsidies are available for School of Medicine Honorary Clinical Academics who are from RA 2-5, who are travelling more than 250km to attend. Please send an Expression of Interest to Alyssa Horgan, outlining how this workshop will support your research interests.

Please RSVP by **3 November 2017:** [Click here to Register](#)

Spaces are limited
