

Roundtable: IVF – The Global Experience

It is almost forty years since the first babies conceived through In vitro fertilisation were born in the UK and India. Assisted reproduction is now an industry of global dimensions. In this Roundtable international experts will discuss the contemporary and future implications of assisted reproduction.

Speakers:

**Professor Marcia Inhorn (Yale University),
Professor Sarah Franklin (University of
Cambridge),
Dr Nicola Marks (University of Wollongong).**

**Chair: Professor Sarah Ferber (University
of Wollongong).**

**VENUE: Building 20, Lecture Theatre 2,
University of Wollongong**

DATE: Thursday 9th February

**TIME: 4:00 to 5:00 p.m (followed by light
refreshments).**

All welcome but please reply to Robyn Morris
<robynm@uow.edu.au> by Monday 6 February
for catering purposes.

UNIVERSITY
OF WOLLONGONG
AUSTRALIA

This workshop is supported by the Academy of the Social Sciences in Australia and the Faculty of Law, Humanities and the Arts at the University of Wollongong. It is held in association with the Australian Research Council funded research project: IVF and Assisted Reproduction: The Global Experience (DP 150101081)
